

Electrify Nova Scotia Rebate Program

Medium and Heavy-Duty Zero Emission Vehicle Rebate Pre-Approval/Application Form

Instructions

The completion of this form is voluntary; however, it must be completed to receive a rebate under the Program. The rebate eligibility will be verified against the municipality's, non-profit's, First Nation group's or business's information.

This form and required attachments can be submitted electronically to electrify@cleanfoundation.ca. For details on eligibility and other terms and conditions, please visit evassist.ca

To complete this application, you must include an itemized purchase receipt; Bill of Sale and/or Lease Agreement showing the organizations name, address, MHZEV model, and pre-tax price; Certificate of Registration; void cheque; proof of delivery; and Rebate Received from (if applicable).

 Type of transaction (purchase or lease): _____ Leasing term (if applicable): _____
 Date of Purchase/Lease (mm/dd/yyyy): _____ Price (before taxes, fees & delivery): \$ _____

Attestations

The following attestations must be **initialed** by the rebate recipient (*the authorized representative of the purchasing/leasing organization*):

_____ I attest that the purchasing/leasing organization has not already applied for or received five (5) Class 2B Passenger, five (5) Class 2B Commercial – Class 8 rebates, and three (3) Ice Resurfacer rebates under the Program during this calendar year, other than the purchase or lease for which this form is completed.

_____ I represent that the purchasing/leasing organization will not seek to receive more than five (5) Class 2B Passenger, five (5) Class 2B Commercial – Class 8 rebates, and three (3) Ice Resurfacer rebates under the Program in any calendar year. I understand that should they be found to have received more than five (5) Class 2B Passenger, five (5) Class 2B Commercial – Class 8 rebates, and three (3) Ice Resurfacer rebates from the Program in a calendar year, the dealership(s) who provided the rebate(s) OR the Program Administrators may seek to recover the amount of the rebate provided.

_____ I attest that the purchasing/leasing organization intends to keep this vehicle in their name and registered in Nova Scotia for 12 months. If it is determined that they have not done so the Program has the right to seek reimbursement for a prorated amount of the rebate based on the amount of time the vehicle was kept for.

Consumer Consent

On behalf of the purchasing/leasing organization, I, _____ (*authorized representative of purchasing/leasing organization*), hereby authorize _____ (*dealership*) to collect the purchasing/leasing organizations and my personal information provided to the dealership and to provide that information to Clean Foundation, in its capacity as the Program Administrator of the Electrify Nova Scotia Rebate Program (the "Program"), and to the His Majesty the King in Right of Nova Scotia, in its capacity as the funder of the Program, and as represented by the Department of Natural Resources and Renewables.

I further consent and authorize the Program Administrator to:

1. collect my personal information provided to the dealership;
2. store the personal information as set out below;
3. use the personal information provided to the participating dealership for the purposes of receiving the provincial medium and heavy-duty zero emission vehicle rebate under the Program, as described and for the purposes outlined below; and
4. disclose the personal information to the Department of Energy for the purposes outlined out below.

This information is being collected by the Program Administrator and will be shared with the Department of Energy for the purpose for the purpose of:

1. administering the Program, which includes but is not limited to determining the eligibility for a rebate under the Program and evaluating the Program including informing future program policy related to medium and heavy-duty zero emission vehicles; and
2. validating eligible medium and heavy-duty zero emission vehicle purchases, which involves reviewing the vehicle identification number and postal code of the purchaser / lessee.

The personal information collected will be shared only with those employees of the Program Administrator and the Department of Energy as is reasonably required for the administration and evaluation of the Program. Under the provisions of the *Freedom of Information and Protection of Privacy Act*, individuals have the right of access to, correction of and protection of their personal information. To access your personal information, contact the Program Administrator at electrify@cleanfoundation.ca, or 1-877-522-1110.

Release

On behalf of the purchasing/leasing organization, I hereby release Clean Nova Scotia Foundation and His Majesty the King in right of Nova Scotia, their agents, officers, employees, contractors, successors, and assigns from any claims, liability, damages, action or causes of action arising from or relating to the information and its use.

I give permission to the Program Administrator to contact me by phone, email, or other electronic means with respect to my experience with the Electrify Nova Scotia Rebate Program and to inform future programs and policies related to medium and heavy-duty zero emission vehicles. I acknowledge that I can withdraw my consent at any time by calling 1-877-522-1110 or by sending an email to: electrify@cleanfoundation.ca

I am signing this form of my own free will and have a full understanding and comprehension of its terms.

Signature

Date (mm/dd/yyyy)

For Dealership use only:

By signing below, you affirm that:

- a. The dealership has confirmed that the purchaser/lessee is a non-profit, business, municipal government registered in Nova Scotia or First Nations.
- b. The dealership has collected the required documents from the customer and the customer has signed all the required spaces in the rebate application (including a Nova Scotia certificate of registration OR vehicle permit in the customers name)
- c. All the information provided for this vehicle, both on the checklist above and as outlined by the MHZEV Electrify Program Guidelines is true to the best of my knowledge.
